**Holiday Homework**

**Class - V**

**Session: 2024 - 2025**

**Respect for Elderly is a cornerstone of many cultures worldwide. Elderly always have a wealth of knowledge and experience from whom we can learn a lot. By showing our love and care for the elderly, we can help them feel valued and appreciated. This reverence is rooted in the understanding that the elderly have weathered life's storms, accumulating knowledge and insight.**

**Let us all strive to show love, care and respect for Elderly in our communities as they deserve our utmost appreciation and support.**
